

Dear Sir/Madam,

I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand.

By choice, I am willing to pay for the service offered by XM. NAB's service is far below my acceptable standards! Limiting XM's ability to provide this service only encourages me to use other already existing services which are also superior to NAB's typical offerings.

Sincerely,

Chris Rotta
